Storyline® I: An Introduction and Storyline® Revisited

Portland, Oregon

**Storyline® I: An Introduction** is for K-12 teachers who wish to learn how to integrate curriculum via the Storyline method. Mirroring a classroom setting, participants experience a Storyline unit both as a student in the process as well as observer of the teaching method. A cycle of activity, reflection, and theory is repeated throughout. Explore how and why the Storyline method motivates students to learn as they become their own "meaning makers."

**Storyline® I: Revisited** This course will provide a refresher for people who are looking for the support of working through a new Storyline topic and the opportunity to write a new topic with the support of Storyline trainers. This course runs concurrently with Storyline I: An Introduction.
